LIMITED PUBLIC TENDER – PUBLICATION OF RESULTS

The National Petroleum, Gas and Biofuels Agency (ANPG), acting in its capacity as National Concessionaire, under the terms of Presidential Decree no. 86/18, of April 2nd, hereby announces the result of the Limited Public Tender for Block KON 13, located in the Onshore Kwanza Basin, made public on May 24th, 2024, to national and foreign entities that expressed an interest as Operator and non-Operator, and held on September 3rd of the same year.

COMPANY QUALIFICATION

The process was based on the requirements for acquisition of the status of the National Concessionaire, namely Operator (financial and technical capability) and Non-Operator (financial capacity), set out in Articles 4 and 5 of PD 86/18, as indicated in the table below.

WINNING COMPANY OPERATOR	NON-WINNING COMPANIES
OANDO ENERGY	ACE ENERGY
	WALCOT LIMITED
	COBALTO SERVICE

Table n. ° 1 – Qualification

COMPOSITION OF THE CONTRACTOR GROUP

As described in the previous points, the composition of the Contractor Group is as follows:

CONTRACTOR GROUP (CG)		
COMPANIES	ROLE	PARTICIPATORY INTEREST
OANDO ENERGY	OPERATOR	45%
EFFIMAX	NON-OPERATOR	30%
SONANGOL	NON-OPERATOR	15%
FREE	NON-OPERATOR	10%

Table n. ° 2 – Constitution of CG

Furthermore, the National Concessionaire would like to inform that the remaining 10% of Participatory Interest, for the capacity of Non-Operator, of the aforementioned block is available for award, and the award process will be carried out through a restricted tender, to the companies that applied and did not win, for the capacity of Operator.
